ATTN: Mr. Leonard C. Triem

Dear Mr. Triem:

Supplemental Permit is hereby granted to the holder of Permit No. 1972-5 to accept and deposit asbestos fiber-containing waste from Gold Bond Building Products Plant located at Matteson, Illinois. These waste materials shall be limited to the items described in the letter from Industrial Building Operations to the Environmental Protection Agency dated August 24, 1972, with attachments thereto.

Asbestos fiber-containing wastes shall be contained and handled in the manner described in the letter of August 24, 1972, (with attachments) and no deviation shall be made without obtaining a written Supplemental Permit from the Agency.

Thank you for your prompt cooperation in this matter.

Very truly yours,

ENVIRONMENTAL PROTECTION AGENCY
